

Please Note:

When placing an order at counter please advise staff of your table number, but please do not remove numbers from your table. All orders must be placed at the counter as no orders will be taken from your table.

Orders for pasta and other meals rather than pizza are cooked in Stuzzichino kitchen and will not arrive to your table the same time as pizza orders as it is logistically impossible to time the meals to arrive together.

You may also order from the Stuzzichino menu available at the Stuzzichino counter. There is a 20.00 minimum spend on credit cards and we do not have Eftpos facility.

Thank you
